

PUTNAM COUNTY FAIR OPENING HERE TODAY

ALL EXHIBITS AND LIVESTOCK
OF 4-H CLUB MEMBERS PLACED
WEDNESDAY.

CONCESSIONS LINE STREETS

Industrial Tent Is Busy Place. Exhibits on Corn Rorer And Lime-stone Of Interest.

Putnam County's first annual 4-H Club Junior Fair opened Thursday morning and will continue in full swing until Saturday evening. All exhibits by the girls and boys were placed Wednesday ready for the Fair opening today.

In addition to the display of livestock by the 4-H boys in a tent on the north side of the square, the girls have the assembly room and corridors of the Court House full of food and clothing exhibits.

Other things of interest include the industrial tent which houses exhibits by local and county merchants and corn borer and limestone booths for the benefit of farmers. Methods of controlling the corn borer are shown in the former while free samples of soil are tested for farmers at the limestone booth. Sources of available limestone are also shown.

Concessions line Washington street from Vine to Jackson street, and include a chair-swing and a ferris wheel. A merry-go-round is on the northeast corner of the square.

Today's program opened this morning at 9 o'clock with clothing being judged in the Court House, and a boy's judging contest taking place in the livestock tent at the same time. Food preparation and baking judging took place at noon and livestock judging occurred at 1 o'clock.

Tonight at 8 o'clock a musical program will open at 8 o'clock with the Kiwanis Club quartet singing several numbers. Old fiddlers and the Fillmore String quartet also have been engaged. Preliminaries in the township tug-of-war contest also are on tonight's schedule. Teams from eight townships will take under the direction of the Kiwanis Club which is sponsoring this event.

Judges for the Fair are Mrs. Harry Stevenson, of Bloomington, who will judge exhibits by girls, and Prof. C. E. Goble of Purdue University, will judge the livestock shown by the boys.

Friday and Saturday's program follows:

Thursday Evening

Child Sustains Skull Fracture

SMALL BOY TODDLES INTO THE
PATH OF FATHER'S
TRUCK

Thomas Jean Cash, small son of Mr. and Mrs. Clyde Cash, east of the city, is in the county hospital with a fractured skull as a result of an accident about 11:45 o'clock Thursday morning.

Mr. Cash, who operates a store and filling station on the east Washington street road, was preparing to go to the Quincey picnic. He started to back his Ford truck and the little boy, who is less than two years old, toddled out from the store directly into the path of the machine.

The child was brought to Greencastle and rushed to the county hospital where an examination revealed a fractured skull caused by a wheel of the truck. The child was also injured about the chest.

A test of the spinal fluid of the boy at the hospital Thursday afternoon indicated that the child was critically hurt. It was said there was only a slight chance for recovery.

CALE CLUB AWARDS

Awards in the Boys' 4-H Dairy Calf Club were made Thursday afternoon. In the heifer class ribbons were won by the following:

The dispatch said 70 passengers and seven members of the crew were missing.
The Tongan collided with the Chinese steamer Lien Hsing XII.

THIRD MAN IMPLICATED IN THEFT

IRWIN ATHERTON SOUGHT IN
MARION COUNTY BY THE
LOCAL AUTHORITIES

A third man, implicated in the theft of 30 chickens from the Hugh Hicks' farm near Mt. Meridian, July 18, was being sought Thursday by Putnam County authorities.

He is Irwin "Happy" Atherton, said to reside in Indianapolis. Evidence that he participated in the theft was said to have been obtained by Deputy Sheriff Alva Bryan and Detective Harry F. Snyder, Farmer's Guide operative, from Ralph Bending and Kenneth Kerecheval, now serving a year in the Indiana State Farm for participation in this theft. The officers questioned the two prisoners at the Farm Wednesday afternoon.

A warrant for Atherton's arrest on a grand larceny charge was issued from the Putnam Circuit court on Wednesday and taken to Indianapolis by Detective Snyder.

Atherton was arrested in Indianapolis during the day and will be returned here by Deputy Sheriff Alva Bryan.

MISS GENEVA BROWN PLAYS FOR KIWANIANS

Miss Geneva Brown, delightfully entertained the members of the Kiwanis Club Thursday noon, with several accordion numbers. Miss Brown, daughter of Mr. and Mrs. L. C. Brown.

Other guests at the regular weekly luncheon of the club were: Prof. Guy Wilson, of Oskaloosa, Ia., and John J. Hinkle of Altadena, Calif.

The members were urged by Glen Lyon, president, to not forget that the Kiwanis club is sponsoring the tug-of-war contests to be held each night during the county fair. As judges with him, Mr. Lyon selected Mayor W. L. Denman and Elmer Crawley.

Harold Robbins, treasurer of DePaul University, was welcomed into the club as a new member.

POSSES HUNT NEGROES

RALEIGH, N. C., Aug. 14 (UP)—Milton Rogers, of Angier, reported to Raleigh police today that Viola Edwards, of Elizabeth, with whom he was riding in an automobile, was dragged from the car by three negroes and carried away shortly before 1 a. m. A posse was organized at once to search for the missing girl.

He had met the girl only last night, Rogers said. After driving around Raleigh, he decided to take her home. While en route the kidnapping occurred.

At dawn, posses under the direction of Deputy Sheriff Clyde Whitaker began searching the woods surrounding Garner, N. C., where Rogers said the kidnapping occurred.

HELD FOR FAILURE TO PAY A BOARD BILL

Lawrence Gardner was arrested on Wednesday evening for failure to pay a board bill. The complaint was filed by Mrs. William Crawford. Gardner was arraigned before Justice of the Peace J. J. Kauble Thursday afternoon.

Gardner was fined \$6, the amount of his alleged bill, and costs, by Justice Kauble.

SHEEP KILLING DOGS WERE CAUGHT BY CLINTON FARMER

Frank Vermillion of Clinton township, made a good killing Thursday morning when he killed three dogs which previously had killed a flock of six head of sheep for George Frank and had killed five of Mr. Vermillion's herd.

The dogs were all from the immediate neighborhood, one, said to have been the leader, being a German police dog.

WOULD ABOLISH OFFICE AS TAX BURDEN RELIEF

COUNTY AUDITOR SAYS SCHOOL
OFFICIALS COULD ATTEND
DUTIES ATTENDANCE OFFICE

IS FORMER REPRESENTATIVE

Burden Of \$1,500 Annually Is Unnecessary. Taxing Officials Hampered By Laws

One means of effecting a reduction in taxes in Putnam County and elsewhere in the state, would be the abolishment of the County Attendance Officer, according to Willis E. Gill, county auditor and former representative in the State Legislature. Mr. Gill is probably one of the best versed men in the county on taxation.

Mr. Gill says local taxing officials are hampered in their efforts to reduce taxes by state laws which provide for unnecessary offices, among them being the county attendance officer and a probation officer.

Mr. Gill makes a suggestion in the following statement:

"There never was a better time for the burdened tax payer to have his say.

"The newspapers are calling for relief. The Commission appointed to investigate this question has called the Trustees of the State to meet with it. Let every one however humble get busy. Tell this commission what you feel would give relief.

"Here is one suggestion from one who is the most humble: Let the law creating a County Attendance officer be abolished. This may be a small item but is one of the many that make the big.

"This office costs the people of Putnam county \$1,500.00 per year for doing something that other school officers could easily do.

"For instance: A certain judge (this is not fiction) sent his Probation Officer, that costs the county \$500.00 more per year, to bring a little fellow before him who was absenting himself from school. To his great surprise and utter disgust for a situation created by law, this boy was returned before him by FOUR stalwart men, all of whom were feeding at the public crib. The Superintendent, the Trustee, the County Attendance officer and his own Probation officer, all were there.

"If this commission wants to do something, let it call the legislators to meet them. The hands of the Trustees are tied in almost every local matter."

BIG AIRSHIP SPEEDS EAST TO ENGLAND

R-100 OUT OVER ATLANTIC ON
RETURN TRIP FROM
CANADA

MONTREAL, Aug. 14 (UP)—The dirigible R-100, speeding toward the Atlantic ocean on her homeward voyage, passed over the island of Anticosti, at the mouth of the St. Lawrence river at 4:15 a. m., EST, making 80 miles an hour.

The dirigible made remarkably fast time down the St. Lawrence river to the Gulf of the St. Lawrence, where only the Island of Newfoundland remained between it and the Atlantic ocean. The ship was approximately 540 miles from Montreal when passing over the western tip of Anticosti island.

The position of the dirigible indicated that Squadron Leader R. S. Booth might strike for the Atlantic coast at Belle Island, about 450 miles away, but it was still uncertain as to whether he planned to swing northward or follow the proposed shorter route to Cape Breton.

Officials estimated that the dirigible would strike the Atlantic coast about mid-morning regardless of route.

MINERS TRAPPED

PRINCETON, B. C., Aug. 14 (UP)—Rescue crews succeeded today in pumping fresh air to 46 miners trapped by an explosion in No. 4 mine of the Coalmont Collieries at Blackburn, B. C.

Directors of the rescue efforts believe they would be able to remove the men alive.

Forty-nine were trapped when the explosion wrecked the mine. One miner was rescued alive, and bodies of two others have been recovered.

Norman Smith, Route 7, is confined to his home with scarlet fever.

IRRIGATED GARDEN DOING WELL SAYS GEORGE FINNEY

George Finney, barber, who lives on the cemetery road south of town, beat the drouth this summer by irrigating his garden with a pump outfit operated by his Ford car. A pulley on a rear wheel of his Ford was used to operate a pump. Water was secured from a small branch.

Finney says his potato vines and sweet corn are doing splendidly but that his cucumber vines from which he hoped to secure a bushel daily, for some reason or other are failing to produce. The irrigation has given him a luxuriant growth of vines but the bloom falls off without leaving a cucumber. Lack of pollination or some other cause is responsible for this condition.

Mr. Finney is believed to be the only local gardener who attempted to beat the drouth with irrigation. Ditches between the garden rows are filled with water once a week by the pumping outfit. About five hours time is required for this, he says.

FEDERAL FARM BOARD CAN GIVE FINANCIAL AID

FARMERS WHO ARE ORGANIZED
CAN GET MONEY ON EASY
TERMS THROUGH BOARD

The Federal Farm Board is deeply concerned by the reports of serious drouth in a number of agricultural regions.

The United States Department of Agriculture and its allied agencies are now surveying the dry sections to determine the degree of damage to crops and its prospective effect on farmers and their livestock. In the meantime, the Federal Farm Board is studying its own power for financial aid.

Under the Agricultural Marketing Act the Federal Farm Board cannot give anything to anybody, but it has considerable discretion in the matter of terms on loans. There is also the Grain Stabilization Corporation through which the Board may work.

If (existing) feed distribution agencies or other business men aid farmers in any stricken community, county, district, or state will form under the laws of their own state a responsible corporation which will guarantee the payment of notes to be given by individual farmers, a plan probably can be quickly developed whereby the Grain Stabilization Corporation can sell feed grains of any kind in car lots at market prices or easy payments of one or two years.

The local organization would arrange for local distribution of the feed thus supplied and see to the collection of the farmers' notes when due. It would make no profit on its own services and would make proper local arrangements for the payment of freight.

The Federal Farm Board can in this way help every community that is willing to help itself. The Grain Stabilization Corporation has plenty of grain and can buy more to replace that sold for feed, thus keeping its own supplies intact.

The plan is believed to be practical and workable. It would relieve suffering, dispose of a part of the grain surplus, and put to man nor community under the necessity of asking for charity. If local communities will do their part, no substantial farmer need lack for feed for his livestock and no stock need be sacrificed on present markets.

Roachdale Man Dies Wednesday

JOHN W. O'CONNOR, 64, SUC-
CUMBS AFTER ILLNESS OF
FOUR YEARS

John W. O'Connor, 64, died at the home of his sister, Mrs. Julia Radey, two miles south of Roachdale, on Wednesday morning at 4:50 o'clock. Death was following an illness of four years.

The deceased was born on March 20, 1866, the son of John and Bridget O'Connor. He never married. He spent most of his life on a farm five miles west of Ladoga. He had resided with his sister, until four months ago. Mr. O'Connor was a member of the St. Bernard's church and of the Eagles lodge at Crawfordsville.

The survivors are the sister, Mrs. Julia Radey, at whose home he died, and a brother, Patrick O'Connor, of near Ladoga.

The funeral services will be held at the St. Bernard's church in Crawfordsville Friday morning at 9 o'clock with Rev. William Sullivan in charge. Burial will take place in Calvary cemetery.

CITY RATE TO BE 86 CENTS COUNCIL SAYS

CITY BUDGET PRUNED AT CAU-
CUS HELD ON WEDNESDAY
NIGHT BY COUNCILMEN

PRESENT RATE IS 84 CENTS

Difference In Valuation Estimate May Give City Additional \$1,500 Over Necessary Sum

The city council held a caucus on Wednesday evening to go over the proposed budget for 1931. At the council meeting Tuesday night, it appeared that the tax levy would be 90 cents as against the present 84 cents. On Wednesday night the council went over the budget very carefully and they cut off here and there and it is believed a final rate of 86 cents will be sufficient to meet the financial needs of the city.

The 86 cents will raise approximately \$41,555.00 on a basis of a valuation of \$5,008,000 which the council is using as the property value for the city. However, the correct figures on valuation are \$3,226,000, according to W. E. Gill, Auditor.

The city officials are obtaining their valuation figures by deducting mortgage exemptions which it is said have already been taken out and that the actual valuation in the city is \$5,326,206 or approximately \$100,000 higher than the valuation of one year ago.

Of the 86 cents, it is said two and one-half cents have been added to are for the new fire truck. This levy last year was fixed at one-half cent. Another additional levy of 2 cents was made for the airport, which was not listed a year ago.

The tax levy of last year, payable this year raised \$42,840, while the estimated expenditures for 1931, are \$41,555, a reduction over the cost of city administration for this year. However, the councilmen went over the proposed budget and cut off every thing possible, they report to get this low cost of government for next year.

The difference in the amount to be raised, if the higher valuation is correct, will be approximately \$1,500. The city school officials are using the higher valuation for the base of their tax figures, it was stated today, but the city officials indicated they would stick to the lower valuation.

THE WEATHER

HAWKS SPANS CONTINENT IN RECORD TIME

FLIER COMPLETES WEST-TO-
EAST HOP IN 12 HOURS,
25 MINUTES

NEW YORK, Aug. 14 (UP)—Captain Frank M. Hawks, who in 20 months has cut the flying time between the Pacific and Atlantic almost in half, again held the transcontinental speed record today.

Racing eastward from Los Angeles in the swift and most brilliant long distance flight this country has seen, Hawks clipped two hours yesterday from the mark set by Col. Charles A. Lindbergh and regained the laurels which that famous air idol had taken from him.

His time for the transcontinental dash was 12 hours and 25 minutes, although only 11 hours and 40 minutes of that period was spent in the air. The captain was clocked in at Curtis Field, Valley Stream, L. I., at 6:41:30 p. m. EST, last night.

Captain Hawks now holds all records for cross-country flying. On his westward flight last week in the small low-winged Traveler monoplane built specially for the record attempts, he lowered the Atlantic-to-Pacific mark of Col. Roscoe Turner.

A dazzling pace of 200 miles an hour was set for the 2,510 miles traversed in yesterday's flight.

Col. Lindbergh, when informed of the new record, expressed delight at his friend's achievement.

FARMER SHOTS TWO

TOLEDO, O., Aug. 14 (UP)—An unemployed father and his young son, trying to steal potatoes for a hungry family of six children, were shot and killed today by the farmer who owns the potato patch.

The victims were Elmer C. Tilton, and his son, Louis.

The farmer, Lester Coy, 23, is held for investigation.

GANGSTER AMBUSHED

CHICAGO, Aug. 14 (UP)—Danny Vallo, 38, who had a long police record and was one of the suspects in the famous St. Valentine's Day massacre, was killed late last night by rival gangsters who ambushed him and riddled his head and body with shotgun slugs.

Two gunmen, who had been hiding in a patch of high weeds, killed Vallo as he stepped from his automobile to enter a cafe in Niles Center, a northern suburb.

BANK ROBBERED

TWELVE MILE, Ind., Aug. 14 (UP)—Two unmasked bandits entered the Twelve Mile State Bank an hour after it opened today, held up O. R. Pickering, cashier, and Miss Bernice Brower, assistant cashier, and escaped in a blue sedan with between \$1,500 and \$2,000. The car was headed west, witnesses said.

Twelve Mile is located 12 miles northwest of Logansport.

COURT HITS SLOT MACHINES

Says Owners Of Machines Should Be Standing Alongside Filling Station Robbers.

(Brazil Times)

Ermyla Young, of East Glenn, Floyd Frye and Hubert Moyer, of Terre Haute who were captured by a posse of citizens after Roy Long, the fourth member, was shot and killed following their robbery of the Rawley filling station, Sunday night, pleaded guilty to auto banditry in the Clay circuit court today. Each was sentenced to the Indiana reformatory a Pendleton for a term of ten years, to which the costs of the case are added. No fines were assessed.

Before passing sentence on the three bandits, whose wrists were handcuffed together, the court asked them if they had anything to say. Frye and Young passed up the chance. But Moyer, smallest of the trio, said that he did not think they should receive a long sentence for robbing slot machines.

Prosecuting Attorney Miller was called on to recite the facts of the case which were as previously stated in the Times. At his conclusion Judge T. W. Hutchison asked concerning the owners of the money in the slot machines that was stolen. Mr. Miller replied that he did not know whether it belonged to Walter Rawley, the Stearley brothers or the company that owned the slot machines. He said he understood the slot machines were owned by a company and the Stearleys put them out on a percent, and another percent went to the proprietor of the place where they were operated.

Judge Hutchison then asked the prosecutor if there is any law by which he could connect the owners of these illegal machines with this case by tempting such boys as these into committing a robbery. Mr. Miller said he knew of no such law.

"Sheriff Tiffie has ordered these machines out and when he saw the order violated he confiscated and broke up the machines. No one had permission to operate them in Clay county," the prosecutor said.

"Well, the owners of these machines ought to be right alongside these other prisoners. But these are two separate crimes and that doesn't make these men's crimes any less, but I hardly regard it as serious an offense as breaking into a man's house, and I am going to give you the minimum sentence that the law allows, ten years."

The three youths added "Thank you Judge," as they passed out of the court room, under custody of Sheriff Tiffie en route back to jail. They will be taken to prison at once. The youths should be out of prison at the age of 32.

COMBINATION BRINGS RAIN

The Quincey picnic and the County Fair, a "wet" combination, brought Greencastle and Putnam County its first general rain in several months Wednesday night. Thursday continued drizzly with the sun obscured by clouds most of the day. Records show that in the past 27 years of the Quincey picnic it has rained on at least 20 of these occasions. Rain also has hampered County Fair activities each year they have been held.

Rain started falling before midnight and continued more or less steadily during the night. Cool and damp weather prevailed Thursday.

'BUGS' MORAN, GANG LEADER, SLAIN, BELIEF

THREE MEN MYSTERIOUSLY
SHOT ON LONELY ROAD
NEAR ST. PAUL

ONE VICTIM IDENTIFIED

Bodies Believed Those Of Moran,
Frank Coleman, And "Butch"
Myers, Underworld Characters

(BULLETIN)

ST. PAUL, Minn., Aug. 14 (UP)—"Bugs" Moran, notorious Chicago gangland leader, was apparently safe at a Brainerd, Minn., summer camp, although police have no definite knowledge as to his exact whereabouts. It is believed the body of the gangster thought to have been Moran, in the triple assassination near St. Paul, was that of Sammy Stein, alias Heckel, Minneapolis and Kansas City character.

ST. PAUL, Minn., Aug. 14 (UP)—

Three men were mysteriously assassinated some time last night on a lonely road near Wildwood Amusement park, just outside of St. Paul.

W. E. Rhinow, head of the bureau of criminal apprehension, found one body in a parked automobile. A second man died in St. John's hospital at 4 a. m. today and still later the third body was discovered 200 feet from the automobile.

One report, entirely without confirmation so far, was that one of the victims was George "Bugs" Moran, notorious Chicago gangster, and a leader of the gang that was decimated by the St. Valentine's Day massacre a year and a half ago.

One of the victims was tentatively identified as Frank Coleman, Kansas City. A second was believed to be "Butch" Myers, a St. Paul underworld character.

Rhinow and a squad of state operatives were cruising in the vicinity of the amusement park on tips that Moran had established headquarters in that section.

They found a parked automobile with the lights burning. They found the man believed to be Coleman dead in the car and Myers in a dying condition. Myers was taken to the hospital where an operative watched over him in the hope that he might make a statement when he regained consciousness. He died without regaining consciousness.

When operatives returned to the scene of the shooting this morning they found the third body, which was reported to be that of Moran.

Reside the body of Coleman was found a loaded revolver. It had not been shot. Police believed he had attempted to defend himself but that the killers had been too quick and he had been shot before he could aim.

Myers was shot three times in the head, apparently as he attempted to flee. His body was about 50 feet from the automobile.

A gold football bearing the inscription "K. C. '29" was dangling from a chain on Coleman's body.

The parked car had the Missouri license plates 383-711.

YOUTH SEEKS RECORD

WESTFIELD, N. J., Aug. 14.—Edward Schneider, 18-year-old Jersey City high school graduate, took off at 5:55 a. m., (EST) today in his Cessna cabin monoplane in an attempt to lower the Junior transcontinental speed record to Los Angeles.

The present record was established by the late Frank Goldsborough.

Schneider said he expected to make two stops, one at Wichita, where officials will install a 200-gallon tank in his plane and another at Albuquerque, N. M.

Willing Workers Met
With Mrs. Baird

On Tuesday, Aug. 7, Mrs. R. C.
Baird, Sr., and Baird Jr., most de-
lightfully entertained the Willing
Workers of Somerset church at their
home west of Greencastle at an all-
day meeting. Before the noon hour,
the members and the invited guests
had arrived and a while was spent in
social conversation and Christian fel-
lowship, then all were invited into
the dining room where tables loaded
with tempting food, steaming coffee
and iced drinks were ready to tempt
the appetites of all. After dinner
was over the meeting was called to
order by the president, Mrs. Davis.
All joined in singing "The Great Phy-
sician," followed by prayer by Mrs.
Davis and Mrs. Priest. After roll
call, the business of the organization
was taken up, one important part
being plans made for the county Sun-
day school picnic to be held at Som-
erset church, Aug. 31, which all are
looking forward to with so much in-
terest and pleasure and hoping that
many from all the churches are glad
to hear that the well being drilled
at the church was nearing completion.
After the business was finished all
enjoyed a short program consisting
of readings by Mrs. Davis, Mrs. Priest,
Pauline Williams, and Gay Alleen Da-
vis, then Mrs. Bales of the Brick
Chapel Exchange gave a contest that
was enjoyed by all. The meeting closed
with dismissal by Mrs. Clarence
Cobbe and all departed feeling the
day had been profitably and pleasantly
spent. The visitors were Mrs. Sam-
ford Bock, Mrs. Glen Flint and lit-
tle son and daughter, Mrs. Louise Wil-
liams and daughters, Mrs. Earl Ev-
ans and daughters, Mrs. Ralph Ran-
all, Mrs. Samuel Modlin and Mrs.

The affair was in the nature of a
farewell for Mrs. J. C. Runk, who
with her family will soon leave
Greencastle for their future home at
Akron, O.

"Come Thou Almighty King," was
sung. Mrs. J. E. Courtney led the de-
votions in an interesting talk on
"Women and Home." She also read
the story of the class song, "Blest
Be the Tie that Binds," which song
was a part of the program later. No
business was transacted but a pro-
gram of readings and contests was
provided.

Mrs. G. H. Taylor and Mrs. Lee
Reeves gave readings and Mrs. E.
C. Dicks in her usual characteristic,
humorous and serious manner, gave
a talk complimenting Mrs. Runk, who
responded in a pleasing talk. Con-
tests conducted by Mrs. Noe afforded
much enjoyment.

During the social hour the host-
esses served delicious refreshments.
A large representation of members
with several guests were present. Mrs.
Una McGrew of Lennox, Iowa, who is
visiting Mrs. Sarah Wright and Mrs.
Carol Cross and daughter of Lebanon,
who are visiting the former's parents,
Mr. and Mrs. Omer Beck, were out-
of-town guests.

nue, Wednesday afternoon. Mrs. Wil-
liam Miller had charge of the pro-
gram, her subject was "Fauntleroy."
Responses were historical homes.
Dainty refreshments were served to
fourteen members.

Forest Hill Mausoleum

More and more are the living providing for death, while they
control their actions. We see it in life insurance, in the spreading
custom of making wills early in life. Death brings its sudden responsi-
bilities, and thinking men and women recognize this and prepare for it.
And only for one thing—Interment.

The selection of a last resting place deserves deliberate and con-
sidered attention. There are many things to weigh. Permanency, secu-
rity, cost, care and upkeep. These should be studied in advance and ade-
quate provisions made. Otherwise a grief-stricken family may be
forced to a hasty and regrettable selection under circumstances of a
told sorrow that the call of death always brings forth.

It is to the people who give thoughtful attention to this neces-
sary that the idea of burial in a beautiful Mausoleum appeals.

The construction of Forest Hill Mausoleum is rapidly progress-
ing and a limited amount of space is yet available. Call the Fifer Co.
construction Co., Phone 239-L. X at once, and have our representative
explain Mausoleum burial to you in detail.

retain it until next spring.

This NEW KELVINATOR is 4 refrigerators in one

To the demand for electric refrigeration free from
complication or adjustment, Kelvinator responds
with 4-Way Cold.

In one cabinet, Kelvinator gives four distinct refrig-
erating services—each fully automatic and independent
of the others.

The new and greater Kelvinator adds two services
brand new to all electric refrigeration.

This is wholly apart from the customary freezing of
ice cubes and proper cold for foods.

HERE'S WHAT 4-WAY COLD
DOES FOR THE 4 HOUSEWIFE

1—World's Fastest Freezing—Kelvinator automatically freezes ice
cubes and desserts at twice the usual speed. Nothing to regulate—
nothing to tax the memory.

2—More Ice—Ice is produced in exceptionally generous quantities
—from 20 pounds in the smallest de luxe model to 34 pounds in the
largest, at a single freezing.

3—Cold Storage—A genuine cold storage compartment with below
freezing cold for keeping meats, fish, game, frozen fruits and other
new frozen delicacies now obtainable at many stores.

4—Scientific Refrigeration for Foods—in the main compart-
ment of Kelvinator—maintained between 40° and 50°—always—the
temperature range which science says must be constantly maintained
for dependable and healthful preservation of food.

NOTICE TO NON-RESIDENTS

State of Indiana, Putnam County, ES:
In the Putnam Circuit Court, September Term, 1930.

Citizens Trust Company of Greencastle, Indiana, vs. Frank Bittles, Elsie Naylor Bittles, Joseph P. Naylor.

Action to foreclose mortgage on real estate.

Cause No. 13,363.

Be it known, that on the 4th day of August, 1930, the above named plaintiff, by C. C. Gillen and Charles McGaughey, its attorneys, filed in the office of the Clerk of the Circuit Court of Putnam County, Indiana, its complaint against the above named defendants, together with the affidavit of a competent person showing that said defendants, viz: Frank Bittles, Elsie Naylor Bittles and Joseph P. Naylor, are non residents of the state of Indiana; and that said action is brought and instituted for the purpose of foreclosing mortgages on the following real estate in Putnam County, to wit:

Part of Lot 54 in the Eastern Enlargement to the town, now city, of Greencastle, bounded as follows, to wit: Beginning at the south east corner of said lot, thence north with the east line thereof, 200 feet; thence west 88 feet; thence south parallel to the east line of said lot 200 feet, to the south line of said lot; thence east with said south line, 88 feet, to the place of beginning; also,

Part of lot 53 in the Eastern Enlargement to the town, now city, of Greencastle, bounded as follows, to wit: Beginning at the south west corner of said lot, and running thence east with the south line thereof, 3 feet; thence north parallel to the west line of said lot, 200 feet; thence west 3 feet, to the west line of said lot; thence south with said west line 200 feet, to the place of beginning.

That said defendants are necessary parties to said action.

Now therefore, said defendants, Frank Bittles, Elsie Naylor Bittles and Joseph P. Naylor, are hereby notified of the filing and pendency of said complaint against them, and that unless they be and appear on Thursday, October 2nd, 1930, the same being the 10th Judicial day of a Term of the Circuit Court of Putnam County, Indiana, to be begun and holden on the 22nd day of September, 1930, at the Court House in the city of Greencastle, Indiana, and answer or demur to said complaint, the same will be heard and determined in their absence.

In witness whereof, I have hereunto set my hand and affixed the seal of said court, this 6th day of August, 1930.

Ferd Lucas, Clerk. 7-3t.

TOO FRIENDLY WITH PRINTERS

MICHIGAN CITY, Aug. 14 (UP)—Friendly Albert Kriegbaum wanted to be nice to the South Bend printers having a picnic near his Hudson lake casino so he iced 200 bottles of beer for them, he told City Judge William Blice.

Judge Blice decided friendship was going too far when it violated the law so he fined Kriegbaum \$150 and gave him a suspended 30-day sentence for the possession of liquor.

ATTACKS LICENSE LAW

INDIANAPOLIS, Aug. 14.—When the courts resume their legal activities next month the Hoosier State Automobile Association, through its legal staff, will be found vigorously defending the Indiana Drivers' License Law, which has been attacked in a suit filed in the Marion County Circuit Court. The suit, brought by a person whose driver's license has been suspended, undertakes to have certain sections of the Indiana Driver's Law declared unconstitutional, and also requests that no funds be spent in enforcing the driver's license law under the sections attacked in the suit. It is expected that the case will be heard during September and it is understood that the suit, in which the officials of the State Automobile Department are made defendants, will be vigorously defended by county authorities, the staff of the Attorney General of Indiana and of the Hoosier Automobile Association. The suit is built largely around the question as to whether a person whose driver's license was suspended is entitled to a trial by jury and also questions the section which provides for the suspension of driver's license against persons who are "under the influence" of liquor.

"The Indiana Driver's License Law was patterned almost entirely after the model code of the Hoover Conference and the experience of the many other states who have such a law," said M. E. Noblet, Secretary-Manager of the Hoosier State Automobile Association, "and we believe that in the main the people of Indiana desire, so long as the law is sensibly enforced, that it be upheld and supported. It is our intention to support this law in the case pending in the Marion Circuit Court and against any attacks made upon it elsewhere throughout the state. We believe that with well over a thousand driver's licenses revoked this past year for drunken driving and over 600 others suspended for dangerous and reckless driving it has become apparent to everyone that this law is the people's protection. They want the law retained and supported to the end that the loss of thousands of lives and millions of property damage may be avoided by ridding the highways of those who will not drive with consideration for others and can in fairness be called little short of potential murderers."

"The good already accomplished is only a start as compared to what will be the case if all motorists will only report to the Secretary of State any instance of dangerous driving they witness. No motorist is being fair to himself or his loved ones or friends when he remains indifferent to the opportunity to help rid the highways of the kind of driving that causes accidents. He is even doing a kindness to the person guilty of wrong driving because the guilty party, if not corrected, may kill himself as well as others."

The individual driver's license law prepared by attorneys for the Hoosier State Automobile Association, which led in the movement which resulted in having it passed in the 1929 session of the Indiana General Assembly.

NIGHT SHIRT STROLLER
DENVER, (UP)—Louis Richie, wanted on a narcotic charge, strolled away from the detention ward of the Denver General Hospital in his night shirt. Police found him and returned him to his bed against his will.

HIS FIRST QUESTION

RICHMOND, Aug. 14 (UP)—The first words uttered by Donald Gill, 13, champion tree sitter when forced down by juvenile court officers were, "Where are the reporters?" Donald had been in the tree 360 hours and expected to stay up until school started. He came down, however, when officers convinced him that all other aspirants to his record were out of the running and that his record would be unchallenged.

BEAR LOSES ARGUMENT

LOVELAND, Colo., (UP)—F. A. Neville likes bears, and is willing to meet them half way. One bear that Neville met near here refused to let the Loveland continue his journey on a narrow trail. Four shots from Neville's rifle won the argument, and guests at two barbecues voted the bear's meat splendid.

STREETS REMEDIED

FORT MORGAN, Colo., (UP)—Local streets have undergone "remedying" this summer, and to date more than 2,000 yards of gravel have been placed by city workmen. Each day the streets are dampened, 75,000 gallons of water being used.

THE TENTED SPEAKEASY

TRI-LAKES, Aug. 14. (UP)—The speakeasies located in tents was said to be the innovation started by Clyde Billman and Arthur Huffman, both of Columbus, O., who were released on \$1,000 bond after prohibition officers objected to the alleged practice.

LEGION CONVENTION

FT. WAYNE, Aug. 11.—A completed and well rounded program of entertainment and business for the twelfth annual state convention of the American Legion to be held in Fort Wayne, Aug. 23 to 26, inclusive, was announced here today by P. T. Haas, general convention chairman. Fort Wayne post, which will be host to thousands of World War veterans and their families from all corners of the state, enjoys the distinction of being the largest post in the state this year, with approximately 1,000 members. The convention program as announced by Chairman Haas follows:

Saturday Afternoon, Aug. 23
Air circus at the Paul Baer City aviation field, four miles north of the city. Saturday night at 8 o'clock, dance at the aviation field's new air-drome. Saturday night at 10 o'clock, Forty and Eight banquet. The Forty and Eight parade will be at 11. The week will be held at midnight.

Sunday Morning, Aug. 24
Rifle matches will be held at 8 at the national guard range. A golf tournament will be held on the Elks course commencing at 8:30. There will be a tour of the city at 10 with cars leaving Keenan at Anthony hotels. Church services will be held in all churches of the city with the Legionnaires and Auxiliary members invited as guests, commencing at 10:30. Special Legion services will be held in Christ Lutheran church in charge of Rev. Herman Wennemark, post chaplain.

All afternoon there will be an air circus at the Paul Baer field. There will also be a stag picnic all afternoon at the Elks country home, four miles north of the city. Drum corps contests will begin at 5 p. m. in the Fort Wayne baseball park. A banquet and business session for all state officers will be held at 6:30 p. m.

A band concert of the 125 piece all state Legion band will be held at 7 p. m. in Memorial park. There will be fireworks display at 9 p. m. in Memorial park. There will be dancing in the Reservoir park dance pavilion and on the streets.

Monday Morning, Aug. 25
Commencing at 9:30 o'clock there will be a joint session of the Legion and the Auxiliary at which distinguished guests will speak. There will be trips through the Ft. Wayne industries and factories, during the morning.

The big parade, a colorful spectacle of the convention, will get underway promptly at 2:30 p. m.

A junior baseball game will start at 5 p. m. A concert will be given commencing at 7 p. m. in Reservoir park by the Fort Wayne Post No. 47 band. There will be a fountain display. There will be street dancing all evening and midnight shows.

Tuesday Morning, Aug. 26
Commencing at 9 o'clock the Legion and Auxiliary will be in separate business sessions. Officers to serve during the coming year will be elected and the business of the convention closed.

Thousands are expected to attend the annual state convention this year since the membership of the Hoosier organization has climbed steadily and is now in excess of any previous year. Fort Wayne has had the pleasure upon one previous occasion to handle a state convention of the Legion and is widely known as a gracious host.

Plum Conserve

1 pound plum pulp
(use Damson plums)
1-2 orange, juice and grated rind
1 to 1 1-2 cups sugar
1-2 lemon, juice & grated rind
1 cup seeded raisins
1-2 cup-meats (if desired)

Wash plums, seed if desired, and weigh. Mix ingredients, except nut-meats, and cook mixture until thick and clear. Add nut-meats. Pack into clean, hot jars and seal immediately.

Cheese With Tomato and Corn

1-2 teaspoon butter
3-4 cup corn
1 teaspoon salt
2 cups grated cheese
1 pimento
2 egg yolks
1-2 teaspoon paprika

MYRICA TO BE RICH

NEW LONDON, Minn., (UP)—Before death, Myrica Cerefera Davey, 16, will be worth more than three-quarters of a million dollars because of a trust fund of \$100 established here. Compound interest is the answer. Myrica who lives in a public park here owns the pass book in which the \$100 deposited by a godfather, James A. G. Davey of Kent, O., will grow to \$750,000 before Myrica's normal expectation of 200 years of life have been reached. Myrica Cerefera was known to the Pilgrims on the Atlantic coast as the bayberry tree and candles were made from its berries. These wax-like berries also were used as a medicine to cure dysentery.

OBITUARY

Robert Miller son of Jefferson and Mary Miller, was born in Greencastle, Ind., Feb. 8, 1882, departed this life August 6th, 1930, at the age of 48 years and 6 months.

He was united in marriage to Miss Beulah Bee Aug. 17th the year of 1903. To this union were born three children, Bernard and Mary, of Indianapolis, and a daughter Gertrude, who has preceded him in death.

He left Greencastle twenty years ago and since then has made his home in Crawfordsville and Indianapolis. He has spent his last few years of life working for a transfer Co., up until the day of his death.

He leaves to mourn his death the children, Bernard and Mary, mother and father; three sisters, Mrs. Orda Rice, Mrs. Charles Roberts of Greencastle and Mrs. John Riley of Oakland, City. Four brothers, Drue, Joe, Otis, Dick of this city, besides a host of relatives and friends.

To our Cherished joys fade one by one
To our loved ones, fall like withered leaves.
The shaft descends, their breath is gone,
And O'er their graves our bosom's heave

Oh! 'tis hard to give our loved ones away
The brightest, best of all our love,
When most our hearts, are round them twined, they are given wings and fly like doves

Bright be the sky o'er Robert's grave,
Green be the sod that wraps it round,
And may each tree with songsters filled,
Send forth its notes of sweetest sound

And when spring comes with dewy hands
To dress the sod that wraps her clay,
May fragrant flowers on Zephyr's wings
Give promise of resurrection day.

CARD OF THANKS

We wish to thank our neighbors and friends for their kindness in every way during the death of our dear son and brother, Robert Miller.

Also, we thank the ones that sent flowers, the singers, Mrs. Ben Riley and Mrs. Joe Crosby, the undertaker, Charles Rector; the minister, and everyone who helped in any way.
Mother, Father, Sisters and Brothers.

Smart Comedy-Drama Boasts Clever Story And Great Cast

A masterpiece of subtle comedy drama is the verdict after seeing "He Knew Women," a thoroughly grown-up and splendidly enacted talking drama of modern manners, now on view at the Voncastle theatre, and playing thru Friday.

One cannot fail to praise this smart and up-to-the-minute picture, adapted from the eminently successful stage play, "The Second Man," by S. N. Behrman. It contains every element of genuine appeal, concerning the conflict between two selves of a man—one earnestly desiring the true love of his dreams, the other materialistically appraising indolence and comfort with a wealthy widow.

Lowell Sherman, an actor of distinction in appearance, voice and manner, plays this subtle role with deftness. To him must go the major share of credit for sustaining the high note of this well-cast production. Opposite him, as the rich widow, is Alice Joyce, ever lovely and appealing in a role which requires considerable talent.

Again the superiority of the talking screen over the stage can be noted in "He Knew Women." The facility with which vital changes of scene are maneuvered immediately stamps the film as having more depth and power than ever could be possible in the limited confines of a stage.

Hugh Herbert directed the production with mastery. The delicacy of the theme is adeptly handled. Flowing story power builds to a stirring climax.

A capable supporting cast includes David Manners, a newcomer to the screen who scored sensationally in "Journey's End," and Frances Dade, charming and talented young blonde from the Broadway legitimate stage.

"He Knew Women" is sure to please every discriminating picture goer.

Added to the Voncastle's bill to-night and Friday will be a comedy featuring Lois Wilson entitled "For Love of Money" and the Fox Sound News.

TREATED CRUELLY

HAMMOND, Aug. 14 (UP)—John Spindler spit in the face of his wife, dragged her feet first out of a hay mow, where she sought refuge and bit her fingers, Mrs. Julia Spindler told the judge of the Lake county superior court where she is seeking a divorce.

Only the fact that her mother interfered, saved her life, as Spindler told her that "they would carry you out in a wooden box with your nose sticking out," she said.

FASHIONS

Old Fashioned Sun Bonnet Arrives: Also Decorative Terry Cloth Towel

NEW YORK, Aug. 14 (UP)—Who says simple things have gone out of fashion? What is more simple than a sunbonnet and what is more simple than a large Terry Cloth towel as a beach throw? One finds them both on fashionable beaches and is inspired to trace them to their source in town with the result that one learns the rest of the world has been or is engaged in the same lively pursuit.

These towels are extremely decorative, usually in bold colors stripping a white background, although there are the usual exceptions to this rule. They are fringed at either end with narrow cotton fringe and are flung blanket fashion across the back. The customary enormous hat usually is worn.

That pajamas and sunbonnets do not seem to belong together these is no denying yet they are being worn also sunbonnets with gay overalls. One's mission this season is to contribute something of a costume party aspect to the beach and anything that is picturesque is admitted to the gay carnival.

While most beaches have "dogs not allowed" signs at their approach there is no ban against the most monstrous rubber animals, and many a rubber sea dog rides the waves as well as all manner of animals calculated to rival the inevitable sea serpent scheduled to appear every season off some beach.

Smart buyers

are getting bigger tire values now than ever before!

Competitive conditions are tightening up in the tire business.

When this happens, high-powered salesmanship usually takes on an extra head of steam.

But don't be confused when the tire dealer with something "special" to sell backs you into a corner.

Just remember the one fact — after years of experience, after testing this value and that, "more people ride on Goodyear Tires than on any other kind!"

There must be a valid reason for this.

There is: Goodyear Tires are definitely superior, in the two main parts of a tire.

The Goodyear All-Weather Tread is superior in traction.

The Goodyear Supertwist Carcass is superior in vitality and long life.

These superiorities are not sales claims; they are real.

Any Goodyear Dealer will be glad to demonstrate the facts.

The facts certainly are: Goodyear Tires do give greater value.

As far back as 1916, it became a fact that more people ride on Goodyear Tires than on any other kind.

Every year since that time it has been increasingly true that more people ride on Goodyear Tires than on any other kind.

Today this preference for Goodyears runs into millions: millions more people ride on Goodyear Tires than on any other kind.

There can be only one conclusion: Goodyear Tires must be better—and at present prices they are a matchless bargain.

Now is the time to get yours.

REMARKABLE IS THIS CASE WON BY KONJOLA

RHEUMATISM AND OTHER AILMENTS OF 6 YEARS STANDING CONQUERED BY MEDICINE

MRS. LILLY A. WARD

"Six years ago my health began to fail," said Mrs. Lilly A. Ward, W. C. A., 329 North Pennsylvania street, Indianapolis. "First my stomach became disordered and I suffered terribly with pains of indigestion. Formation of gas caused my heart to palpitate. My kidneys became weakened and steadily grew worse until I had to rise several times every night. Then I began to suffer with rheumatism. My limbs swelled; the muscles and joints became stiff and sore, and I suffered agony with this dread ailment."

"Finally, a dear friend recommended Konjola and insisted that I take it. I took this medicine with strict adherence to directions until I had used about ten bottles, and all my dreadful ailments have vanished completely. My stomach never bothers me, and my sleep is undisturbed. The swelling, aches and pains are all gone from my limbs, and I feel fine in every way. I get a lot of pleasure out of telling people what Konjola did for me."

Konjola has become the most talked of medicine in America because it makes good. And Konjola makes good in the most stubborn cases when given a fair trial. Six to eight bottles are suggested as a fair test.

Konjola is sold in Greencastle, Ind., at the Owl drug store, 14 west Washington street, and at Fleenor's drug store No. 2 Washington street, and at all the best druggists in all towns throughout this entire section.

EVIDENCE BLOWS UP

WINSTED, Conn., (UP) — "The evidence has blown up," said the court officer when Lizzie Seca was called before Judge E. B. Hamlin on a liquor charge. Stoppers in jugs holding a quantity of the alleged product of Lizzie's still blew up before the case came to court and the evidence seeped away through the courthouse floor.

Freedom From Stomach Distress

R. P. Mullins' Has the Remedy And Guarantees it to End Indigestion Or Gastritis.

You can get one bottle of Dare's Mentha Pepsin and if after you take it you do not say it did you more good than anything you ever used before, your money will be waiting for you.

This delightful and effective elixir not only gives instant relief from gas, fullness, acid stomach and distress after eating, but taken regularly for a short time will turn your weak, run-down stomach into a strong healthy one able to perform its duties without help.

It ends indigestion, gastritis, catarrh of the stomach and does it in a surprisingly short period of time.

"Dr. Wm. W. Morgan, a prominent dentist of Bridgeton, N. Y., writes: After suffering severely with gastritis and other stomach troubles, a friend gave me a bottle of Dare's Mentha Pepsin. I had obtained little relief from other remedies, but four bottles entirely ended the trouble." Get it at R. P. Mullins' Drug Store and all regular druggists everywhere.

TROUSERS SAVE LIFE

BETHLEHEM, Conn., (UP) — Homer Somers owes his life to two pairs of pants. Homer wore double trousers when he went wood-chopping to protect his legs from the brush. Hearing a rattle, he glanced behind him just in time to see a rattlesnake strike his leg. The fangs failed to penetrate both thicknesses and Homer killed the snake.

A MEXICAN REVOLUTION LEFT HIM BROKE. JUST A FEW YEARS LATER HE WAS A HIGH-SALARIED MOVIE STAR.

FAST SUCCESS STORY NO. 9

RAMON NOVARRO

His Spanish forebears conquered Mexico . . . won the country in ten brief years. But Ramon alone conquered America, conquered Europe, and all points east . . . in scarcely more than a camera's flicker. For Ramon gave the world a thrill!

And that's the tale of another young conqueror, OLD GOLD cigarettes. New England surrendered in just two months. "You win, OLD GOLD!" said the Middle West. From coast-to-coast the victory spread. And OLD GOLD in just one year became the country's fastest growing cigarette. OLD GOLD, like Novarro, offered the world a brand new thrill. Finer tobaccos gave a mellower taste. Better tobaccos ended throat-scratches.

VISITOR AT MARTINSVILLE

SENTENCED FOR SHOOTING
MARTINSVILLE, Aug. 14—William Dowdy was sentenced to one to ten years in the Indiana state reformatory when he pleaded guilty before Judge J. W. Williams to a charge of assault and battery with intent to kill. Dowdy entered his plea of guilty when he was brought into court for arraignment.

Dowdy was accused of shooting and severely injuring Emil Shields following an alleged altercation at a gravel pit west of Monrovia week ago. Dowdy is twenty years of age and has a wife and one child.

Dowdy is from Tennessee and was visiting at Monrovia at the time of the trouble.

V. F. W. NOTES

All World War veterans are advised to file for benefits under the pension law enacted by Congress at once. This action should be taken regardless of whether the veteran suffers from disability at this time or not. The date of payment of such pension dates from the date of filing.

The Legion condemns most bitterly the practices of small groups of attorneys in advertising to get veterans to pass claims through their hands. Heavy charges are made in this heartless practice to men not able to pay them. The Legion will supply blanks for filing claims and will assist you in filling them out free of charge. All veterans filing should send their application to the service officers, State Dept., American Legion, Indianapolis, Ind. A record of the claim is kept and it is pushed through by Legion help.

Robert Hoffman, Commander, Greencastle Post 58, American Leg.

AMERICAN LEGION NOTICE

The American Legion Post 58 enjoyed the best meeting of the year at Bainbridge Aug. 11. Many Legionnaires from here drove over and with a good turn out of the Bainbridge comrades a large and enthusiastic attendance resulted.

A committee, to run an American Legion stand during the Junior Fair, was appointed and Justin Godwin was named chairman.

It was voted to incorporate the local post at once.

All of the Legion Post caps were sold and more have been ordered. These caps are overseas style and are very distinctive. They are tailor-made and fit perfectly. Every Legionnaire should own one of these caps. The supply of Legion pins were also diminished and more have been ordered.

Several Bainbridge veterans joined the Legion or expressed their intention.

If you're fat—remove the cause! KRUSCHEN SALTS contain the 6 mineral salts your body organs, glands and nerves must have to function properly.

When your vital organs fail to perform their work correctly—your bowels and kidneys can't throw off that waste material—before you realize it—you're growing hideously fat!

Take half a teaspoonful of KRUSCHEN SALTS in a glass of hot water

tions of doing so in the near future.

Many application blanks for pensions were filled out, and other matters of compensation were taken up.

Pensions were discussed by many for attending the state convention at Ft. Wayne, Aug. 25, 26, 27. Reduced rates on all railroads are available to Legionnaires attending.

After the meeting the local members were very agreeably surprised by a watermelon feast provided by the Bainbridge delegation. The post gave a rising vote of thanks to their north county comrades.

A fine time was had by those present and all expressed added interest in these meetings. The next meeting will be held in Greencastle, Aug. 25.

GRADUATE OF DEPAUW

DIES AT LAFAYETTE

LAFAYETTE, Aug. 10.—Thomas W. Field, 60-year-old local attorney, and life resident of this county, died suddenly in the local hospital after suffering a cerebral hemorrhage. He was stricken while eating lunch at a local club. Mr. Field was born at West Point and had practiced law in this city more than thirty years. He formerly served as city controller, city judge for two terms and deputy county clerk. He was a graduate of DePauw university.

The Indiana Board of Public Printing has issued an interesting booklet on Indiana, a copy of which has been received by The Daily Banner. Others in the county, including the libraries and all the schools will also receive copies of the book. The book is well illustrated and carries a very comprehensive history of the growth of the state. It is briefly told, but covers the entire field.
